MANAGEMENT DISCUSSION AND ANALYSIS

Business Environment for Asset Reconstruction Companies

As India battles the ferocious new infections, a strong policy response is building up. Economic activity in India is holding up against COVID-19's renewed onslaught. Apart from contact-intensive sectors, activity indicators largely remained resilient in March and grew beyond pre-pandemic levels. The resurgence in COVID-19, if not contained in time, protracted restrictions and disruptions in supply chains would add to inflationary pressures. Pandemic protocols, speedier vaccination, ramping up hospital and ancillary capacity, and remaining resolutely focused on a post pandemic future of strong and sustainable growth with macroeconomic and financial stability is the way forward.

Asset Reconstruction Companies (ARCs) are important players in the asset resolution mechanism in India. Unlike many other countries that experimented with a public sector model of asset management companies marked by their existence for a pre-defined period following banking crises or crises-like situations, India introduced ARCs as private sector institutions as part of its ongoing financial sector reforms.

Highlights:

- Notwithstanding the increase in the number of ARCs over time, there has been a concentration in the ARC industry in terms of the assets under management, and the Security Receipts (SRs) issued by a few leading players.
- Despite the policy push to broaden and enhance the capital base of these companies, they have remained reliant primarily on domestic sources of capital, particularly from banks.
- The cost of acquisition to book value ratio, although posting a slow rise, remains low and is marked by wide variations across ARCs and economic sectors.
- The ARCs have predominantly resorted to rescheduling of payment obligations as a method of resolution.
- There is considerable concentration of older SRs in the books of the ARCs.

Although the number of ARCs has increased over time, their business has remained highly concentrated. Of the total AUM, about 62 per cent and 76 per cent were held by the top-three and top-five ARCs in March 2020, respectively. Furthermore, in terms of the capital base of the industry, 62 per cent was held by top-three ARCs; the corresponding share was 67 per cent for the top-five ARCs.

The IBC, 2016 has been a milestone in the development of the asset resolution infrastructure in India. The percentage of assets recovered through IBC has been on a rise in recent years, while the percentage of assets recovered through ARCs has shown a decline. However, ARCs account for about 30 per cent of the total assets recovered through various channels and remain a complementary mechanism post-IBC for asset resolution.

The Hon'ble Finance Minister, Ms. Nirmala Sitharaman had announced in her 2021-22 Union Budget speech that an ARC and an AMC would be set up to "clean-up the bank books."

The high level of provisioning by public sector banks of their stressed assets calls for measures to clean up the bank books. An Asset Reconstruction Company and Asset Management Company would be set up to consolidate and take over the existing large value stressed

debt and then manage and dispose of the assets to Alternate Investment Funds and other potential investors for eventual value realization.

The movement in asset quality of banks and NBFCs following the COVID-19 pandemic could bring ARCs into greater focus and action. Going forward, the introduction of a new asset reconstruction Company for addressing the NPAs of public sector banks may also change the operation models of the existing ARCs. There is a definite scope for the entry of a well-capitalised and well-designed entity in the Indian ARC industry; such an entity will strengthen the asset resolution mechanism further.

In that context, a National Asset Reconstruction Company (NARC), the Indian version of a bad bank, has received the government approval with equity participations from public sector banks (PSBs) and non-bank lenders to acquire the large value NPAs from banks and non-banks. Setting up of the NARC would, however, leave ample scope for other ARCs to acquire NPAs from banks and non-bank entities in the MSME sectors.

Operations

(i) Asset Acquisition:

Your Directors in its meeting held on November 20, 2020 have decided to start new acquisitions in the Company for smooth functioning. Management is in the process of scouting quality assets which should be acquired by the Company. However, no acquisition was made during the year under review in view of Pandemic situation.

(ii) Asset Resolution / Recovery:

During the year, the gross & net recovery stood at ₹895 lakh & ₹822 lakh respectively. Security Receipt (SRs) worth ₹1.67 crore were redeemed during FY 2020-21 (after adjusting management fee and all commissions & expenses) to SR holders including ISARC (₹12.86 crore in the previous year). The cumulative gross recovery (since commencement of business) till March 31, 2021 aggregated ₹28526 lakh of which ₹14221 lakh had been redeemed to SR holders including ISARC. The recovery suffered due to lockdown across country and closure of Courts and Tribunals during the year 2020-21, as some large amounts of expected recoveries could not be realised.

(iii) Assets under Management:

The aggregate SR issuance (since commencement of business) amounts to ₹54,391 lakh, out of which, SRs amounting to ₹39831 lakh were outstanding as on March 31, 2021, SR amounting to ₹14221 lakh has been redeemed and SRs amounting to ₹338 lakh has been written off till March 31, 2021. The AUM (including additional funding), since commencement of business is ₹55,095 lakh whereas the Net AUM of the Company is ₹39,876 lakh as on March 31, 2021.

(iv) Ratings of security receipts & Net Asset Value (NAV) of SRs:

As on March 31, 2021 aggregate SRs amounting to ₹33,766 lakh have been rated by rating agencies under the recovery ratings scale as per the guidelines issued by RBI to SC/RC companies and the corresponding NAVs have been communicated to the SR holders.

MATERIAL CHANGES AND COMMITMENTS

The recovery suffered as some large amounts of expected recoveries could not be realised due to lockdown across country and closure of Courts and Tribunals during March, 2021. To the Members of India SME Asset Reconstruction Company Limited

REPORT ON THE AUDIT OF THE STANDALONE FINANCIAL STATEMENTS

1. Opinion

We have audited the accompanying Standalone Financial Statements of **India SME Asset Reconstruction Company Limited** ("the Company"), which comprise the Balance Sheet as at 31 March 2021, the Statement of Profit And Loss, the Statement of Cash Flows for the year then ended and notes to the Standalone Financial Statements including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2021, and its profits, and its cash flows for the year ended on that date.

2. Basis For Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) prescribed under Section 143(10) of the Companies Act, 2013 ("the Act"). Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Standalone Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Standalone Financial Statements.

3. Emphasis of Matters

We draw attention to Note 32 of the Standalone Financial Statements, as regards to the management evaluation of COVID-19 for which a definitive assessment of the impact in the subsequent period is highly dependent upon circumstances as they evolve. Our opinion is not modified in respect of this matter.

4. Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Company's annual report but does not include the Standalone Financial Statements and our auditors' report thereon.

Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is

materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

5. Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act read with the Companies (Accounting Standards) Amendment Rules, 2016.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

6. Auditors' Responsibility for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- a. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting

from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- b. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) (i) of the

Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- c. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- d. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- e. Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

**ANNEXURE “C” TO THE INDEPENDENT AUDITOR’S REPORT OF EVEN DATE
ON THE FINANCIAL STATEMENTS OF India SME Asset Reconstruction Company
Limited**

**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section
143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of **India SME Asset Reconstruction Company Limited** (“the Company”) as of **March 31, 2021** in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.
